**Working Hard, Drinking
Hard** Adrienne Pine

2008-05-07 "Honduras is violent." Adrienne Pine situates this oft-repeated claim at the center of her vivid and nuanced chronicle of Honduran subjectivity. Through an examination of three major subject areas—violence, alcohol, and the export-processing (maquiladora) industry—Pine explores the daily relationships and routines of urban Hondurans. She views their lives in the context of the vast economic footprint on and ideological domination of the region by the United States, powerfully elucidating the extent of Honduras's dependence. She provides a historically situated ethnographic analysis of this fraught relationship and the effect it has had on Hondurans' understanding of who they are. The result is a rich and visceral portrait of a culture buffeted by the forces of globalization and inequality.

Unopened Books Jermaine D. Gassaway 2017-05-27 The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority

students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

The Day I Washed My Face in the Toilet Brenda Kearns
2014-12 "Wish you could find giggle-inducing tween books for girls?" "Tired of

young teen fiction that drags you down? Then try..." The Day I Washed My Face in the Toilet A laugh-out-loud novel that's perfect for girls and young teens! All 14-year-old Monica Bloomfield wants is to spend August at a science camp far away from her idiot sister and weird little brother. Trouble is, Monica's being dragged into the wedding party of her crabby old great aunt who lives in England- and if she wants to earn that science camp, she has to keep her siblings in line for the entire trip, plus convince her crazy Grandma to move into a nursing home pronto. Monica's determined to succeed, but things start out badly- and go downhill fast. First, her hyperactive brother overdoses on caffeine right before their eight-hour flight to England. Then a botched wine-tasting party ends so badly that even a policeman is left speechless (and in need of a new uniform). Getting into science camp isn't going to

be easy-especially with a rampaging bull, drunk parrot and the most gorgeous guy in the universe standing in her way. "The Day I Washed My Face In The Toilet" is a fast-paced tale about a girl trying to have a positive impact on her world and see social injustices corrected- with hilarious results, and one badly-mangled bridesmaid's dress. A Personal Note From The Author: Unfortunately, I came up with the title of this book- and a pretty big chunk of the plot-line- the day I washed my face in a toilet. In my defense, we were living in the middle of nowhere, and a brutal storm had left us with no hydro, no heat, no lights and no running water for almost a week. I was cold and grimy, and by the fifth day I snapped. I pulled the top off the toilet tank and peered in. The water had been sitting there for days, so it smelled really funky. Also, every chain and bobby thing in there was covered

with a thick layer of (and here, I'm using the scientific term) bleck. Still, I was desperate. So I used the slimy toilet tank water and had what was probably the fastest sponge bath on record. Sadly, the curry incident happened to me, too. Shortly before I boarded an eight-hour flight from England to Canada, a friend took me out for a huge curry feast. I'd never had curry, and my intestines weren't sure what to do with the stuff, so they promptly rejected it. I developed a massive case of explosive curry farts. I kept my coat zipped up for the entire flight home, hoping that would hide the smell. It didn't. Toxic gasses trickled out through the neck of the coat, assaulting me and all of the passengers who were stuck sitting around me. Ironically, the coat made the problem worse, because it made me sweat-I was leaking curry vapors out of every pore of my body. This book is a labor of love-but

it's laced with some of my most cringe-worthy experiences, too! "If you're on the look-out for great books for girls or young teens-and you don't need vampires or zombies to make you happy-then this one's for you!" Want to read more? God's Purpose Demands

Persistence Carmelo Alicea

2017-01-20 "Difficulties are not an option in my life." I begin this introduction with a statement that should be a daily declaration in everyone's life. For as long as we live, difficult times will always show up but making them a "normal" standard in my day to day life to deceive us and make us doubt God's promises is not an option for a child of God. There is a saying "Life is not about waiting for the storm to pass, it's about dancing in the rain." While you dance in the midst of the storm, God will see your heart conform to His. We can't let life dictate our pace and blessings, we have to do something about it. Sitting at the side of the road and waiting for someone to give us what we need is not an

option. When you have a clear identity of who you are in Christ, God will reveal to you that everything you need is already inside of you. All you will ever need in this life comes from God.

The same God who lives and dwells in you. When all hell breaks loose, God releases His power in you to prevail in all of your doings. But, it will take someone who is committed to insisting and resisting at all cost during times of discouragements. You have all that is needed for you to persist and to manifest the movement of God in your favor. It's customary to invoke God who seems to be outside of our realm, every time we need Him. We appeal to God to come to us even though He is already in us. "Do you not know that you are a temple of God and that the Spirit of God dwells in you?" (1 Corinthians 3:16). You want His divine power to come to you when all you have to do is release His power that is already inside

of you. Remember that in all of our doings, "God's purpose demands resistance." In other words, you have to fight against opposition for that purpose to be fulfilled. It is the only way that you'll see the promises become a reality. Understanding what your purpose is and what it represents in your life will help you unleash God's power. It is critical to know how to position yourself, regardless of the situation you are encountering and to push forward until something happens. Push forward at all times and pray until God's heavens are opened in your favor. Until the much-needed response becomes a reality in the natural realm. Let's not worry about our circumstances, but rather, persist in pushing forward while God orchestrates the outcome of our victory. Victory is something that comes disguised as a full game of discouragements and weaknesses that will try

to keep you out of focus. But knowing how to unwrap what seems to be packages full of discouragements will take a persistent person to reveal God's favor in you. While the opposition increases, your strength will be growing and pushing forward until God's favor is released with His anointing to obtain the victory that has been always in you. Why? Because victory is a place that dwells in you. Jesus obtained it on the cross, and Jesus the Victor lives in you.
