**The Curious Incident of the Dog in the Night-Time** Mark Haddon 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher’s carefully constructed world falls apart when he finds his neighbour’s dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents’ marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher’s mind. And herein lies the key to the brilliance of Mark Haddon’s choice of narrator: The most wrenching of emotional moments are chronicled by a boy who couldn’t fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

*The Millionaire* Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail in financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime. **Defense** Sandi Lynn 2017-01-27 Ariana Betrayal. The pain and rage that consumed me was unbearable. My perfect reality had become my hurtful one. Loss of illusion settled inside me and constricted the air I breathed. I felt as if my entire life was a lie. Fresh out of law school, I needed a new start and to put the pieces of my life back together. When I left Boston and moved to New York, I met Luca Russo, a high powered, sexy attorney who liked control. He took me under his wing and did things for me no other man had ever done. Everything comes with a price, and mine was falling for a man who couldn't return my affection. Then one night tragedy struck and he needed my help. That was the night I became his defense. Luca There wasn't anyone or anything I couldn't control. I thrived on it. It made me who I was. Some called me ruthless because I played dirty in the courtroom, and some called me a man-whore because I liked to sleep with women but refused to give them anything more. I was a thirty-year-old man with the world at his fingertips. I had a successful career that I loved, a luxury apartment on Park Avenue, and the company of any beautiful woman I wanted at any time. Then Ariana Williams walked into my firm and left me breathless. The chemistry between us was undeniable. But I had a past and a secret I never wanted her to know, so I had to walk away. Then one tragic night I needed her, and now she holds the fate of my life in her hands.

After landing my dream job in New York City, I met a very sexy man named Andrew London. I fell head over heels for him instantly, and I was sure he was the one who could fill the emptiness I felt inside. I felt it every time we were together, and he loved me like no other man had. I ignored the signs from the beginning because I was so immersed in him. Then one day, everything unfolded, and I found myself in a relationship that was built on nothing but deceit from the very start. I couldn't understand why he would do this to me until I discovered the truth behind his lies. 18+

**His Proposed Deal** Sandi Lynn 2015-03-27 THREE MONTHS. IT WAS ONLY FOR THREE MONTHS. My name is Emma Knight and I'm a twenty-four-year-old woman who was moving from Miami to New York to pursue my dream of attending Parsons School of Desgn. My plan was set in motion. I was packed and already on my way when I met a man and received an email, both of which altered my plans and changed the course of my life. Max Hamilton, a twenty-five-year-old, panty-melting, rich playboy who was being groomed to take over Hamilton Securities, told me it was for only three months. His proposed deal was that I had to pose as his fiancée until his twenty-sixth birthday so he could collect his trust fund. I'd help him and, in return, he'd help me achieve my dream. It was a win-win situation, right? WRONG. Love was never part of the deal and neither was the secret that Max could never find out about."

That one night was the best night of my entire life. He was sexy, intense, and made me feel things I had never felt before. The next morning, the thrill was over and he was gone before I woke up. What happened in London should have stayed in London, but it didn't. I was never supposed to see him again, but the universe had other plans and now my happy little world was turned upside down by a man named Sebastian Bennett. She refused to tell me her name. Normally, I wouldn't care. But something inside me needed to know who she was. She was stunningly beautiful and a name would complete her. It didn't matter anyway. In the morning, I'd be gone before she woke up and I'd never see her again. It was probably for the best anyway. I would hurt her and she would ultimately hate me. It's what I did. It's all I knew. I was never supposed to see her again, but I did, and my desire for her was stronger than before. I had money, looks, and a heart made of pure stone. **Tell Me You're Mine** J S Scott 2020-12 A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series...I am the type of woman who always plays it safe. In my professional life as a public relations “fixer”, and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that’s what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I’d developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I’d ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie’s true identity. He’d held his last name back for a reason. Oh no, I couldn’t make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn’t all that earthshattering - if Damian Lancaster hadn’t boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn’t possibly refuse.... Goodbye sanity; hello madness.

About a year ago, I lost the love of my life, in a tragic car accident. There are no words that can describe how I've felt the past year. My life and all my dreams had died with her in the accident. I exist, and I play my guitar to try and ease the pain. My love was taken away, and I will never get that back.
