Everyone knows my priorities. Logan Bennett, loyal to my family and my company. And that's all. No time for love. No desire for it. Not since my failed engagement. I'm done with romance. Then Nadine Hawthorne waltzes into

my life as though she has no idea she's turning everything upside down. She's all, "oh, I'm focusing on my clothing company," and "I can't afford distractions," as though she isn't distracting me from focusing on anything but her. She's sexy, she's captivating. She doesn't believe in love either. Clearly, the best way to get each other out of our systems would be to have a brief fling. We're on the same page about love, after all. Being together is addicting... even if I am suspicious that my family is scheming about us. Our attraction is fiery, and our connection is undeniable. I'm winning her over, and vice versa. What started as a flirtation is soon spiraling into much more than either of us are prepared for. So when a mistake threatens to tear us apart, will we have the strength to hold on?

Always With You Layla Hagen 2019-09-09
Ruling his LA hotel empire through determination and hard work, Reid Davenport is a mystery to many. Despite the media's interest in him, Reid steers clear of the limelight-until his life is

broadcast in the tabloids, endangering not only his privacy, but that of his parents and his little sister. He'd do anything to protect them...except listen to the fiery and intelligent PR pro, who's as beautiful as she is tempting. Every time she walks into his office, he fantasizes about bending her over his desk and kissing her. Every time she smiles at him, he wants to pull her closer and not let go. Hailey Connor doesn't take on uncooperative clients. But the second she meets Reid, she's compelled to stay and help, even if she must fight his own broody ass to do it. He's bossy, demanding and so sinfully alluring that she knows she's in over her head. Reid may be infuriating, but when he talks about his family, she can't help but melt a little. With every kiss, they grow closer. With every touch, they fall deeper. They're opposites...yet perfect matches. But when their different worlds collide, will it tear them apart or bring them together?

Mr. Imperfect Karina Bliss 2006-09 It takes a funeral to drag bad boy Christian Kelly back to

his rural New Zealand hometown. He'd do just about anything to blow out of town for the last time. And never see Kezia Rose again. His first love. And the only woman he'd ever hurt. But when they find out Kezia's going to lose her family's century-old hotel, Christian genuinely wants to help. Except Kezia won't let him. And neither will her grandmother--according to the last will and testament and a long-forgotten IOU he'd given the dear, exasperating old woman. So, what next? If the will says he can't buy out the hotel, he'll just have to turn it around by the end of the month. And maybe by then Kezia will understand why he left...and why being near her is breaking his heart all over again.

Your Fierce Love Layla Hagen 2017-07-31 They say Blake Bennett is downright irresistible. They're mostly right. I've never had to work too hard to fill my bed. One smile is usually all it takes. I like it like that. With the men of my family dropping like flies into true love and marriage, it's nice to know one of us can still

maintain the famous Bennett bachelor lifestyle. Even if they are starting to pressure me to join them. So how has Clara Abernathy managed to resist all my charms? Her sweetness and sass are a lethal combination, and I'm dying for just one taste. Our family has treated her like one of our own for years. After spending her life in group homes, we've given her a place to belong. And after she needs a place to stay, I offer her a literal home next door to me. Yeah, maybe hooking up with me would be crossing a line. Just a little. I know family friends are off-limits. She has professional conflicts on top of it. But she's filling a hole in me I didn't even know I had. Soon I have this bizarre compulsion to make her this happy too. I've always liked bending the rules, but will this be the one that finally breaks me? *Your One True Love* Layla Hagen 2017-11-01 No one thinks "regrets" when they hear Daniel Bennett, but I have one big one. Ten years ago, I let go of the woman I loved. But I never stopped loving her. Not that I'd ever admit that out loud.

No one wants to buy an adventure package from a guy who's still pining for the one that got away. But since when has anyone ever successfully kept a secret from my family? My sisters naturally see a golden opportunity to matchmake. And as long as it's with Caroline Dunne, I'll play along. I built my business out of opportunities—I know full well one like this doesn't come along often. Our lives might be going in separate directions, but hasn't that been the case for ten years? The pull between us hasn't changed one bit. She won't let herself fall for me again. I won't let her get away a second time. If it takes everything I have, that's what I'll give. But can I convince her to give me a second chance? **Your Irresistible Love** Layla Hagen 2016-01-03 I know what people think when they hear the name Sebastian Bennett. Determined. Ruthless. family always comes first. My parents. My eight—yes, eight—siblings. Every single one of them nagging at me to settle down and get married. I may be bulletproof, but I can't seem to deflect them. No matter how many times I patiently explain that I don't believe in love. I hadn't counted on Ava Lindt. Beautiful. Funny. Just as stubborn as I am. It's frankly infuriating. I only hired her as a consultant to make our next jewelry collection launch unforgettable. So why is it thoughts of her that I can't shake? Those curves, that smile... it's irresistible. And completely off-limits. She won't risk her job. I won't risk my heart. But one kiss, one touch at a time, our sizzling chemistry is turning into a deep connection. With her time at Bennett Enterprises drawing to a close, I'll have to decide what I was wrong about— her, or love.

One Beautiful Promise Layla Hagen 2020-09-23 It all began in Rome... I was supposed to show Cole the city, as a favor to a friend. I was aware of his reputation, a seductive charmer hellbent on bachelorhood, but I hadn't prepared for him to get past my defenses. Cole was nothing like the serious businessman I imagined. Found in Us Layla Hagen 2014-08-06 *THIS BOOK CAN BE READ AS A STANDALONE* All Jessica wants - as a college graduate - is to be a good girl. She landed the job of her dreams at a museum and is trying to eliminate temptations. No more short skirts (when she can help it). No wild parties. And no men. She particularly excels at that last thing. . . Until her path crosses Parker's. Again. Jessica remembers the last time their paths crossed very well. She was left with a seriously bruised ego. She knows it would be best to avoid him altogether. But the charming Brit makes it hard for her to elude his electrifying pull. He is as irresistible as he is captivating. And enigmatic. Because underneath the sleek Armani

suit and the sweet British accent that makes her crave his touch, Parker isn't the perfect gentleman everyone thinks he is. He's exactly what Jessica doesn't want, but desperately needs. A bad, bad boy. *No cliffhanger* This novel is recommended for 17+ due to sexual content and mature themes.**This is book 2 in the series. Book 1, Lost in Us, tells the story of James and Serena.* Each book in the series can be read as a STANDALONE*

Your Endless Love Layla Hagen 2018-01-17 I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something-or someone-to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified

believer in happy endings. Spending time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?

Your Alluring Love Layla Hagen 2017-05-03 It's hard to be Nate Becker in a Bennett world. But we've always considered ourselves family. I travel the world as a TV producer, never able to spend much time with them. Which might be a good thing. Because my best friend's little sister has never felt like that to me. That sexy little spitfire has always caught my attention. If I don't stick around too long, Sebastian will never notice

the way I look at her. But Alice Bennett has other plans. Her new restaurant would be a perfect feature on one of my network's shows. It's almost too easy to set up meetings with her. Invent excuses to need more information. To boss her around the way she seems to like. It's harmless, I tell myself. I'm moving to London in three weeks, I tell myself. I'm not going to upset Sebastian, I tell myself. Famous last words. I can't cross the line with her. We can't jeopardize the family relationships. But between stolen kisses and wicked-hot nights, it's spinning out of our control. When the chance of a lifetime comes knocking at my door, it's time to decide what has more allure—my career, or a chance with her?

Your Forever Love Layla Hagen 2016-08-01 I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her.

Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder—can I let her go, or could this one be forever?

Love Show Audrey Bell 2014-01-20 One of the best-reviewed new books of 2014... Hadley Arrington is the career-driven Editor-in-Chief of her university's prestigious newspaper. Jack Diamond is a laid back student whose good looks

have made things even easier than they need to be. She's the girl who came out of nowhere and kissed him in the rain. He's the boy who made her do something crazy. When the stakes seem too high, they have to decide if they'll let their love show or if they'll walk away for good.

One Perfect Touch Layla Hagen 2020-07-06 In business circles, I'm known for being cutthroat and demanding. Robert Dumont is a hardass, they say. And it's true. I thrive on challenges. Taking the family-owned restaurant chain to the next level is my passion. When my sister's marriage implodes, I head back to New York, to be there for her and my niece. These are my only two priorities: growing the business and taking care of my family. My new neighbor is a temptation I hadn't counted on. Skye Winchester is bold, sensual and I just can't keep my distance. I'm determined to make her mine. But once I've touched her, I want more. I want to worship her all night long. As a business owner herself, Skye's got enough on her plate. I was expecting her to

run in the opposite direction when she realizes how complicated my life is. Instead, she does the opposite: making my sister laugh, charming my niece... She completely wins me over. Neither of us expected our attraction to grow until it obscures everything but each other. And neither of us can afford to allow that. But how can we stop now?

When You're Mine Layla Hagen 2021-06-06 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm

suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

One of a Kind Sandi Lynn 2021-10-24 From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already

slept with her before I knew Grayson, my human resources director, hired her. Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had her own reasons why she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A

man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+ *Wild With You* Layla Hagen Wedding organizer Lori Connor loves her job. Vick to justice and turns the spotlight on these infamous pit bulls, which were saved from euthanasia by an outpouring of public appeals coupled with a court order that Vick pay nearly a million dollars in "restitution" to the dogs. As an ASPCA-led team evaluated each one, they found a few hardened fighters, but many more lovable, friendly creatures desperate for compassion. In *The Lost Dogs*, we meet these amazing animals, a number of which are now living in loving homes, while some even work in therapy programs: Johnny Justice participates in Paws for Tales, which lets kids get comfortable with reading aloud by reading to dogs; Leo spends three hours a week with cancer patients and troubled teens. [Surviving Raine] has that moment." - Ash the Book Snob As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself... ..until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Your Tempting Love Layla Hagen 2017-02-17
The best part about being Christopher Bennett is that no one ever really says no to me. I'm persuasive. I'm witty. And boy, do I know how to turn on the charm. If only I could turn my family's attempts at persuasion off. Their meddling is out of control. No one asked them to matchmake.

Certainly not me. And certainly not with an interior decorator raising her younger siblings. Then Victoria Hensley turns out to be more than just a decorator. Her laughter is contagious. Her beautiful lips and curves are beyond tempting. Sparks are flying between us, to my dismay and my family's delight. Next thing I know, I'm training her brother in soccer and reading bedtime stories to her sister. Who am I? Turns out I can't say no to Victoria. And I refuse to let her say no to me. I know I'm a client, that I'm technically off-limits. But doesn't that make it all the more exciting? I'm determined to see this thing through to the end. And I won't settle for anything less than a happily-ever-after.
