Changing Images of Curriculum For some people, a curriculum maybe an object for discussion in a classroom, and for others, it is a process to be followed in the class. Some people consider curriculum as an activity to be conducted in the class, and for others, it is the end results achieved by the students at the

Introduction to Social Studies Education - Pearson

My experience in elementary school fueled more than my love of social studies subject matter. It also fueled my interest in how children can develop a solid founda-tion in social studies before they go on to middle and high school. I think of that often, and it pervades this book. In the primary grades (kindergarten–3rd), what
