Writing Effective Course Assignments Elia

Shabani Mligo 2017-05-11 Non-degree and undergraduate students are both inexperienced

essay writers who need close guidance to become effective writers. One of the puzzles which they encounter at the college and university after reporting for studies is the course assignments offered to them by their lecturers, which demand them to be critical thinkers and argumentative essay writers. In most colleges and universities, lecturers provide to students broad questions to answer in the form of essays, either in group or individual assignments. How should they turn the broad assignment questions provided to them by their lecturers into specific researchable topics for essays? How should they handle literature in order to obtain valuable information to answer the provided question? How should they construct an informed and convincing argument using the collected information as evidence? This book concerns these and other related questions. With its clear illustrations, the book is designed to be a self-study guide and to offer solutions to many struggling students in colleges

and universities. At the same time, the book can be helpful for lecturers to instruct their students how to write effective course assignments in their respective courses.

Justin Christi Snow 2015-01-21 Tara Malone is having one of those lives. Born to Oscar award-winning actor, Anthony Malone, and model-famous beauty, Veronica Scott, she should have it made. But her curvy figure and out-of-control frizzy red hair are just the start of her many, many issues. Now to make matters worse, she's started out her week by running over model, Justin James, with her car. She had a lot of fantasies about the cover model, but never did

any of them include vehicular assault. Justin James doesn't have time for two broken wrists, but neither does his over-achieving family. He can't open up his fridge or unzip his fly without excruciating pain and no one else has the time to help him. Tara already shot him down at the accident scene, but maybe he can work this so that the curvy bombshell has a reason to hang around for a bit. He's not above using guilt if it means he gets to know her better. The first in a new series of novellas inspired by Shauna Kruse's photography and her beautiful male models. The Male Model Chronicles. Disclaimer: The Male Model Chronicles, a new fictional series, built around the real-life world of Kruse Images & Photography and the gorgeous male models that Shauna Kruse gets to immortalize in her photos. The heroes are real people who also happen to be male models, but every single other thing about the series is fiction.
